Vol. 49, No. 1 The Official Newspaper of the Connecticut State Grange October 2008

State President

Robert Sendewicz
State Master/President
president@ctstategrange.org

First I want to thank all the Grangers who helped out at the Big E this year. Whether you greeted visitors in the Connecticut room, worked in the Country Store or came on Grange Day and marched with us in the Big E parade, you all proved that the Grange is alive and active in New England and hopefully impressed some non-members enough to join. Thank you, Betty Jane Gardiner and Doris Shaw for rounding up all the volunteers that worked day in and day out in the New England Grange Building. These two ladies have been doing this longer than I can remember and when they

are asked each year to do it again they reply, "I'd be delighted".

This brings us to the 124th State Session. One note of importance... We will be a little pressed for time this year. The Session will close at 3:00 PM. on Saturday the 18th and the installation of officers will be at 4:00 PM. That is right, the installation of officers. For those that may have forgotten this is an election year and I'm not referring to the U.S. president. That makes it more important that each Community Grange have delegates at the session to represent their Grange. The deliberations of this session will serve to guide the State Grange for the coming year. Pertinent information on the session is inside this issue.

There was much information in the September issue and more in this issue regarding the National Session. I cannot urge you enough to take the necessary degrees so that you can take the Seventh and last

Degree this year at the Bushnell Performing Arts Center in Hartford. The opportunity is there don't waste it. The National Session is a great place to meet Grangers from the other thirty-six states and you will make lifelong friendships. Participate in as many activities as possible, especially those that support the youth and the juniors. One highlight of the session will be the Night of Excellence on Friday night. This will take place at the Welte Auditorium at Central Connecticut State University in New Britain. Please remember to register for the Convention. The application is included in this issue. A convention badge is required for admission to all events at National with the exception of the Seventh Degree at the Bushnell.

The rest of this year is going to be very busy for us Grange folks and you can make it a very rewarding one. Sister Marge and I look forward to meeting you all at our State Session.

National Representative to State Grange Session

Jimmy Gentry
National Grange Overseer

The Connecticut State Grange is pleased to announce Jimmy Gentry, Overseer of the National Grange, will serve as National Representative to the 124th Annual Session of the State Grange. The session will be held October 16-18 at the Crowne Plaza Hotel in Cromwell, CT. The Session will kick-off with the annual Pre-Session Banquet on Wednesday evening, October 15.

Brother Gentry also serves as North Carolina State Grange President.

He was first elected to the National Grange Board of Directors in 2005, serving as Chairman. He was elected to the position of Overseer in 2007.

Gentry entered the office of State Grange President in 2003. He is a former vocational agriculture teacher and school administrator. He received a B.S. from North Carolina State University and an M.S. from North Carolina A&T State University in 1972 and 1980, respectively, and serves on the board of directors for the North Carolina Foundation for Soil and Water Conservation, North Carolina Cooperative Extension Service Foundation, and the North Carolina Agribusiness Council.

Gentry and his wife, Anita, reside in Statesville, NC, and have two daughters, Jennie Gentry of Raleigh, NC and Terri Wilson of Fair Hope, Alabama. The Gentry's are active members of the Holy Trinity Lutheran Church in Troutman, NC. Jimmy serves as a member of the Worship Team, which provides music for the contemporary service.

Defending the Grange trademark

Gordon Gibson
Legislative Director
legislative@ctstategrange.org

Most every Grange member in Connecticut who has e-mail recently received a request from the National Grange Board of Directors to provide information on the use of the word Grange in connection with public suppers, food booths, bake sales and similar activities conducted by local

Granges. The National Grange requested this information for evidence to oppose an application by Tyson Foods to gain exclusive commercial use of the name "Grange and Grassland."

Many members have responded by the September deadline, but we do not yet know the eventual outcome of this application. It has, however, sparked many questions among our members concerning the use of the word "Grange." Several years ago the National Grange secured a trademark for the single word "Grange" and has since brought several actions to stop people

from using "Grange" in their trade or business name without specific permission from the National Grange. The purpose for this trademark was so that everyone, both members and non-members, would not be confused into thinking businesses with the word "Grange" in their name were connected with our fraternity.

Now Tyson Foods is claiming the term "Grange and Grassland" is different from using the single word "Grange." Courts have ruled that once a person or a business obtains a copyright or a patent on a name, they

MOUNTAIN COUNTY POMONA #4
Corr: Todd Gelineau

As of this writing, we have heard that Sister Peggy Prelli has been in the hospital with pneumonia. We hope the delivery of this issue will find her home and on the road to recovery.

Mountain County Pomona held its September meeting at Litchfield Grange Hall with a good attendance. The next meeting will be held on Monday, October 13 at Winchester Grange Hall. As usual, the meeting features the conferral of the Fifth Degree. Interested members have the ability to take the Fifth Degree on Monday and then receive the Sixth Degree the following Friday evening in Cromwell. We hope to have a large class of candidates for all three upcoming degrees (including the Seventh Degree to be held at the Bushnell in Hartford this November).

Rehearsal for the Fifth Degree is scheduled for Sunday, October 5 to avoid conflict with the Riverton Fair on the following weekend. The rehearsal will be at Winchester beginning at 7 P.M.

HOPE GRANGE #20
Corr: Wayne Vaughn

Hope Grange would like to announce the marriage of Nicholas Green and Renee Duquett. They will be joined together in matrimony on Sunday, October 5th. We wish

the both of you many long years of joy and happiness together, and remember, God hath not promised, stays always blue, flower strewn pathways, all our lives thru. God hath not promised, sun without rain, joy without sorrow, peace without pain, but God hath promised, strength for the day's rest for the labor, light for the way you come in as two, and walk away as one. Your lives together have just begun. You are joined together, as man and wife. This is a Holy bond, for the rest of your lives. Congratulations.

WHIGVILLE GRANGE #48
Corr: Walter Murray

The annual fair at Whigville Grange # 48 was held in September, and was a huge success. A combination of beautiful weather, exciting exhibits, live music and tasty food ensured that fun was had by all. The fair, held annually on the third Saturday following Labor Day, was enhanced by the volunteer efforts of the Burlington Boy Scouts and by an appearance by the Sweetheart Mountain Band. Dignitaries in attendance included State Deputy Earl Phillips, who assisted in the agricultural j u d g i n g , S t a t e Representative the honorable John Piscopo, and an exclusive appearance by "Snappy the Carrot", courtesy of the State Department of Agriculture.

Whigville Grange is saddened to report the

passing of our Master, Walter Krawiec. Brother Krawiec passed away on the morning of September 18, 2008. He will be greatly missed by his many Grange friends and family.

EUREKA GRANGE #62
Corr: Victor Salazar

Wow, summer went by fast and fall is already knocking on our doorstep. Fall is Eureka Grange's busiest time of year. By the time this is published we will have already had our Grange Fair at New Hartford Day which was Sunday September 21st. Hopefully the weather was good and the fair was a success. Eureka Grange visited with Winchester Grange on Tuesday September 16th for our installation of officers by the Cameron installing team. We would like to thank the team for installing our newly elected officers. We would also like to thank Winchester Grange for graciously allowing us to visit with them for installation. In the future, is our fall fundraiser. Our annual Pig Roast is on Saturday October 4th from 5:00 to 6:30 PM. Tickets are only \$12.00 for adults and \$6.00 for children 12 & under- a delicious Roast Pork dinner with all the trimmings. We are looking forward to seeing everyone at State Session, until then, enjoy the cool weather of fall.

Nov. 11: Omitted for National Grange Convention

Winchester Grange is extremely thankful for the great support it receives from members

and non-members alike. Earlier this year, a former member donated all of the materials and labor required to repair our foundation and to reconstruct the columns on the front of our hall. This task alone would have required many fundraisers to fund. Then in September, Bud and Marion Beecher announced their donation of the two new chairlifts needed for our hall. Due to the way our hall is constructed, two separate lifts are required to get guests from the main landing to the dining room and the main landing to the meeting hall upstairs. One continuous lift track between the two levels would have been very costly and difficult to engineer. We truly cannot tell them enough how much we appreciate this generous donation to their beloved Winchester Grange.

Winchester Grange sponsored a special fundraiser for area Soup Kitchens on September 27. For the price of a non-perishable food item donation, visitors to the event to sample the products and services of area businesses as well as area crafters. More on this special event next month.

Our next meeting will be held on Tuesday, October 14 and all members are encouraged to bring examples of their favorite hobbies.

We are busy getting our Exhibit for Bethlehem Fair ready.

We have also voted to have only one meeting during the winter months. It will be the first Thursday meeting date, unless the weather is bad, then we will use the second meeting time. The high cost of fuel has required us to cut back. When the time changes, we will go back to our 7:30 time.

Nov. 13: 119th Anniversary - 6:30 Potluck- CD on Kelley Farm

It has been some time since the One Eyed Owl put the old pen and ink to paper, so join me in a journey through an eventful summer.

Our Flea Market, now expanded to vendors outside as well as inside the hall, was, for us, a success. Many of those in attendance were asking the date for 2009. Sister Joanne outdid herself with the assistance of her daughter and Brother Ray Damiani and Sister Barbara Rivers. Well Done!

June opened with our annual Dairy Dinner, which was a bountiful buffet provided by all in attendance. Selectman Jack Healy joined the festivities and introduced First Selectman Leo Paul. Jack and Leo were joined by Roberta Healy in folding our new flag which had only recently flown over the Capitol. The flag, obtained through the office of Representative Murphy was presented to the Grange by 1st Selectman Paul and was accepted by Master R. Healy. Brother Kirby Weik has provided the Grange with a new flag pole for interior use.

Due to rain again, our annual picnic was remanded to be inside the Grange Hall. But the occasion was put to good use, as the whole Grange showed up and turned to the task of developing the program for 2008-2009. This will assist our Lecturer, Helena Schwalm in her year's work.

Brother John Magyar opened July with his usual entertaining and educational Agricultural evening. He bewildered us with sheets of birds and flowers with such things as scarlet tanager and arbutus. The pictures were beautiful, and we look forward to new ones each year. To complete the evening, we were pleased to present a check for \$200 to Emily Phalen, a recent graduate from Wamogo in the agriculture program for her outstanding work. She will be pursuing her education in the field. Accompanied by her father, we were happy to wish her good luck.

Instead of our usual mystery ride, the Grange enjoyed a pizza party at the Damiani's farm with a tour of the new barn. We sat among the 500 or more bunnies and shared our evening with the entire family.

The barn dance seems

Mountain County #4

Continued from page two... so long ago. In retrospect, the Grange surely appreciated the great support for that event, and thus has given back to the area by staffing the Tourist Bureau each Friday morning. The white building on the Green supplies information not only on Litchfield, but all of Litchfield County. Stop by some day, and pick up some great ideas.

The annual Fair enjoyed great weather and some outstanding entrees. Canned goods were back on the menu this year. The vegetable tables, watched over by John Magyar, were among the best we have had. There was a bountiful display of beautiful flowers under the guidance of Bill Murphy. There were many displays on the craft table, but we need to work on stitchery. The state contests were well represented along with other baked goods. Our bake sale sold out early, and the hot dogs stand also sold out shortly after noon.

The stage at the Grange was beautifully decorated by Debbie Klingerman, daughter of Joanne Klingerman with a farm scene. The front of the Grange featured vintage cars from members of the Grange. All in all it was a very successful fair. We do a raffle each year, and we do need to thank Big Value Supermarket for allowing us to sell tickets in front of their store.

And so our month ended with a CWA program. We are busily working on getting together comfy covers and items to fill the Christmas stockings.

One last note, we were able to send our four campers to Camp Berger this year. We are extremely proud of those who help in the special events that provide the money for these scholarships.

Oct. 17: No meeting due to State Session

Riverton Grange a wonderful Grange Fair on Saturday, September 6th with a record number of exhibitors and entries. We are very happy to see the fair growing with more entries from non-members. This becomes a way for us to get our name out in the community more as well as a membership booster. The Grange Fair has also become a pleasant way for members to socialize in a relaxing manner in between accepting entries and clean up. Special thanks to Mark Prelli, fair President, Cindy Prelli, Secretary and Ellie Chase, Cindy's mother for of her clerical and organization skills accepting and preparing tickets for our exhibits. As always, the members of Riverton Grange come through helping to chair the various categories. This year's handiwork was impressive in both the number of pieces as well as the quality of the work.

We will have only one meeting in October since State Session falls on our second meeting night. We encourage our members to attend the conferral of the beautiful sixth degree on Friday, October 17th. The first meeting in October begins at 7:30 with the program "America the Beautiful". If you love to sing the patriotic songs, come to Riverton Grange. Our pianist, Sister MaryLou Keefe is terrific and we have a group of strong singers that enjoy singing. You can always count on music that is familiar and fun when visiting Riverton Grange.

Whigville Grange Fair

Another successful Whigville Grange Fair was held in September. Above-Winchester Grange member Jerry Lemieux (left) and Earl Phillips of Eureka served as vegetable judges. Below: Maryanne and Debbie judge the flower exhibits.

We also want to express our appreciation to each of you who came to the expo and worked in your Grange Building.

We look forward to seeing many of you at our Connecticut State Grange Convention. Come see our arrangements of all contest winners, stop and say "hello" at our station, and on Friday night after lunch, listen to the annual report of all of our work- a report

New year... new publicity opportunities

October 1st marks the start of a new Grange Year. We hope that you have all your plans for the coming year in place and you are preparing to lay-out your advertising campaign. It is important that newspaper articles or press releases be issued to all the local news media to inform the general public of your plans for the coming year.

As each activity approaches, you

should again send out press releases or announcements telling the general public of the planned activity. By keeping this information before the eyes of the public, your Grange will be better recognized by your neighbors and friends. Hopefully, this will result in an important goal of the State and National Granges of a net gain in membership.

Grange Trademark

Continued from page one...

must defend that name against use by others or they will lose their exclusive rights to the name. One of the most famous cases in the United States concerned the term "scotch tape." Minnesota Mining and Manufacturing Company was originally granted a copyright of this term for their brand of cellophane tape, but because they did not take action to stop other companies from using the term, the courts held that they had lost their rights and "scotch tape" became a common name that could be used by anyone. Ever since Xerox Corporation first marketed copiers in the 1960s, they have vigorously defended the use of the word "Xerox." People started calling any photocopy a "Xerox copy," but this term may be used only for photocopies which were made on a Xerox brand machine and the word "Xerox" must always be capitalized.

The National Grange has successfully prevented some businesses from using the word "Grange" but other cases will be more difficult. There is a village in northern New Hampshire named Grange and a town named "LaGrange" in Kentucky. There may be communities named Grange or Granger in other states. Businesses in these communities could very easily claim they are using "Grange" or "Granger" in their name to reflect their location.

The Hartford telephone directory lists one person whose last name is Grange and seven people whose last name is Granger. It would be very difficult to stop any of these people from using their own last name in the name of their business.

Most of the questions I have been asked concern the use of the word "Grange" by Subordinate and Pomona Granges. The National Grange is not restricting the use of the word "Grange" by any bona fide Grange unit. In fact, they encourage the use of the word "Grange" so people will know the Grange is active in their area. Tyson Foods is asking to copyright the term "Grange and Grassland." Even if they are successful, this should not prohibit Granges from using the word "Grange" in any of our advertising or promotional materials.

The National Grange has received several questions about State, Pomona and Subordinate Granges issuing press releases and other information to their local media regarding this topic. The National Grange does not want to create any ill will against Tyson Foods. They believe they can stop the use of our registered name "Grange" if they have enough data to show we are using our name throughout the land. They are therefore requesting that no press releases, boycotts or similar actions be taken against Tyson Foods.

The bottom line is that nothing has changed concerning the use of the word "Grange" and the National Grange wants to keep it that way.

Oct. 11: Fifth Degree at North Stonington Grange

Hope we will have a huge class of candidates on the 11th at North Stonington. This is the year, with National Grange in Connecticut, to encourage new members so they can take all seven degrees in one year. The Fifth Degree is one of the most beautiful, and Donna Bartling, our Pomona, always has a lovely court. Please encourage all your members who have not taken the Fifth Degree to take it this year and take the Sixth in October to be ready for the Seventh in November.

It's the start of the new year, a wonderful year,

A year to look forward to,

The Lecturer's programs are ready to go

As are Dan and his retinue.

But it takes more than this a Pomona to make

We need all the members there.

So please check the handbook and save us the dates

Let's not have an empty chair!

Oct. 24; "Little Shop of Horrors"- Halloween Party at 7:30

Here it is the beginning of October, fall is upon us and dues are due. Notices will be mailed shortly (we hope); but why not come to a meeting and pay them. It saves postage both ways; you can see a good program, renew old acquaintances and enjoy some delicious refreshments.

Do you have children or grandchildren who would enjoy the Halloween party? The hall is spookily decorated, there are prizes for costumes and games, and there is a cup social downstairs during refreshments. Who could ask for more?

In August, we celebrated Part III of our 100th anniversary and learned about the 1940's. Many thanks to Lecturer Sue Pianka and Master Cindy Anderson for the hours and hours of research and planning that made this past year's programs truly memorable. The coming year's programs are all named for musicals and it looks like another great year. We really wish more of you would decide to forego the couch on Friday evenings. We are getting mighty thin of company at the old hall. Our new windows keep us much warmer, now. Won't you give us a try? We'd like to last another hundred years.

And if if those old hurricanes will just go out to sea where they belong, next time I'll tell you all about spectacular

September.

Happy New Grange Year! We're off and running into a new Grange year with great expectation. The new program theme will take us to at least twelve states, one of which will turn fifty next summer. (Party time!)

Our recent Hamburg Fair was a huge success with the second largest attendance on record. Breakfast cook Jim Pernal, was in heaven working the new grill in our kitchen and our sincere appreciation goes out to all the Grange volunteers.

We hope our members remembered to deposit October's ten dimes into their tiny Grange Christmas stockings. This "Dimes for Andrew" project finishes when all stockings come to our December meeting - surely an anticipated joy!

We've sent five resolutions for consideration at the upcoming State Grange Session and look forward to being represented.

October's tip: Borrow money from a pessimist- they don't expect it back.

STONINGTON GRANGE #168
Corr: Jeff Barnes

Stonington Grange is beginning its second hundred years of service. The program for our September meeting was "As American as Apple Pie," and I don't mean just the refreshments! Trivia abounded and we are all now a wealth of information!

The October meeting will feature installation of officers by John Lawson and team. It has been a tradition for many, many years for the Lawsons to do Stonington's installation.

Hope to see many of you at State Session.

Norwich celebrates 100th Anniversary

Donna Bartling, Master of Norwich Grange #172, receives the 100th Anniversary Plaque from State Master Robert Sendewicz at their Sept. 10 celebration.

by John Penney & Greg Smith, Norwich Bulletin, 9/11/08

A visitor to a Grange meeting a century ago may have encountered a group of farmers engaged in political talk focused on the problems of rural life — mixed with dinner and dancing.

The Norwich Grange, No. 172, celebrated its 100th anniversary Wednesday with about 50 people, many from Granges across the state. And while the urgency of the grange's founding political mission has tapered off, its 75 members still consider community service a cornerstone activity, through scholarships, donations and charitable contributions.

"We don't have many farmers now," Norwich Grange President Donna Bartling said. "We do what we can in the community — anything that comes along that we feel is a good cause."

The group formed in 1908 inside a former schoolhouse on Bean Hill. By joining a Grange, a farmer could socialize with like-minded peers, while also becoming part of a larger voice in local and state politics. Granges also were one of the few organizations to admit women as equal members — decades before the women's suffrage movement was accepted nationally.

The Grange movement started nationally shortly after the Civil War, when local farmers banded together to voice concerns about high borrowing rates laid out by banks, increased delivery prices fostered by the railroad and a general feeling of isolation.

Member Frank Kohanski noted Wednesday how lobbying efforts of the Grange organizations were far-reaching. In 1930, the Grange helped usher in a yearly \$3 million state appropriation for road improvements with a "Get Connecticut out of the mud" campaign.

"They were instrumental in getting a lot of things done, like rural mail delivery and electrification," Kohanski said.

Wednesday's anniversary was marked by reminiscing and entertainment, notably the autoharp played by North Stonington Grange member Nancy Weissmuller.

"A hundred years of continuous service is a special achievement by any organization," state Grange President Robert Sendewicz said.

State Rep. Melissa Olson, D-Norwich, and Mayor Ben Lathrop made proclamations in honor of the celebration. Gov. M. Jodi Rell declared Wednesday Norwich Grange Day in the state.

Haitian Health Foundation President Jeremiah Lowney spoke about the importance of agriculture to the famine stricken third-world country. The local Grange supports the Haitian Health Foundation financially.

It has just recently been brought to our attention that Sarah M. Jones, a long time member passed away over a year ago. She was to receive her 75 year certificate this Fall.

The September Newsletter came today without the Bethlehem report. I guess it was sent out too early. In June it was reported that a

scholarship of \$1000, set up by Washington Grange, was given this year to Karl Quist who graduated from Shepaug.

Anyway we have been busy. The Bethlehem Fair booth was set up yesterday as the fair runs Sept. 6, 7 & 8. So at this time we have no idea of who took home the Coveted Blue Ribbon. Thank you to all who volunteered to help.

Our September meeting was a Pot Luck Supper with an efficient Installation.

Several members will be attending State Session in October and have volunteered to help on the National Session. The next few months will be very busy and if you would like to have a part, please come and join in. This is your Grange. participation has it's own award.

Oct. 17: Omitted

In October we celebrate Columbus Day, and at the end of the month we have Halloween, a fun time for kids and grown-ups alike.

Our first meeting in October is called "Cats Rule" and members are asked to bring in a cat item.

Our second meeting is omitted because of the Annual Grange Session to be held October 16-18 at the Crowne Plaza Hotel in Cromwell, CT.

Barbara Robert and Mary Dubay were elected delegates to the Annual Grange Session.

Our CWA Chairman Malinda Mable will send 25 filled Christmas stockings for ages 6-12 for Foster Children, and also a Christmas Dinner Bag for a needy family for Covenant to Care, Inc. to be given at Grange Session.

Our annual picnic was held at the home of Sharon and Fred Fairchild and we wish to thank them for their hospitality. Always

a nice time.

Our first meeting in October will be the 6th and we will celebrate "Birthdays." Refreshments will be provided by our Worthy Master. Our second meeting, October 20th will celebrate Halloween by having our annual Costume Party. This is always a fun night. Everyone wears a costume. (If we don't, we have to answer to Pearl.) we will have a country store, and our refreshments will be provided by our Overseer.

October will be a busy month for us as several of us will be attending the State Session and 2 of our members will hopefully be taking the Sixth Degree. In November we are looking forward to the National Convention coming. It should be something to see.

Remember, we meet on the first and third Mondays of the month in our hall near the center of Wolcott. So come by and see us anytime. Have a wonderful Autumn season and enjoy what Mother Nature has to offer.

Late October Saturday-Red Cross Blood Drive, Date to be announced

The most memorable recent event was the Grange picnic, which despite a last-minute change of location was surprisingly well attended. Questionable weather forced a switch from the planned Buck Farm location back to the Grange Hall, where a fine feast was enjoyed by all. The main course (hot dogs) was augmented by lots of side dishes, fruits and desserts.

Fall activities will begin with the Red Cross Blood Drive, for which the precise date has yet to be determined.

National Convention Special

Connecticut Granger

The Official Newspaper of the Connecticut State Grange

Welcome to the “Northeast Connection” and Connecticut

*Todd Gelineau, Publicity Chair
Northeast Region Hosting Committee*

After years of planning and fundraising, the 142nd Annual Convention of the National Grange is now upon us. Connecticut originally invited and planned to host this convention on its own. Later on the National Grange decided to regionalize the conventions, making it possible for smaller states to again host a National Convention.

Prior to the Regional format (and after) the members and Granges of Connecticut raised a great deal of money by selling jams, jellies, t-shirts, truck banks and anything else that would add to the fund. Individual Granges and Grange organizations made donations to the fund. Patrons Group Insurance made a multi-year financial commitment.

We thank EVERYONE who contributed in any way towards making this convention possible.

We especially thank the support of the State Granges and members of each of the seven members of the Northeast Region who have contributed money, time, talent and volunteers to make this truly the “Northeast Connection.”

Special thanks should also be extended to Margaret Maxwell, Convention Coordinator of the National Grange. She has gone above and beyond to address our many questions and needs throughout this last year leading up to the convention. Thank you, Margaret, for all that you have done and will do during the Convention.

This Special Section of the *Connecticut Granger* is made possible through the support and fundraising of Connecticut's

Junior Granges and its immediate past Director, Joanne Cipriano.

In this issue, we have included all of the important information you will need to enjoy all that the 142nd National Grange Convention has to offer. If you haven't sent in your registration yet, please do so. The deadline is October 10th. A convention badge is required to attend all events at the Convention with the exception of the Seventh Degree in Hartford. Room reservations should also be made soon and directly through the Crowne Plaza Hotel. The contact information is included on the registration form in this issue.

If you haven't received the Sixth or Seventh Degrees, please consider taking the degrees at National. The beautiful Sixth Degree will be conferred on Saturday, November 15 at the Crowne Plaza. The Seventh Degree will be presented at the Bushnell Performing Arts Center in Hartford at 1:00 P.M. on the same day. It's a rare opportunity to receive both degrees on the same day so close to home.

A complete convention schedule is printed on pages 2 and 3 of this special section. Please be aware that this schedule is subject to change as some events were being finalized as this issue went to press.

For more information about the 142nd National Grange Convention, please visit our website: www.nationalgrange2008.com or the website of the National Grange: www.nationalgrange.org. For specific questions about the convention, please contact Margaret Maxwell at the National Grange- 1-888-4-GRANGE or by email at mmaxwell@nationalgrange.org.

Corr: Karen Madonald
With all the busyness of life, sometimes I do wonder, why do I stay a member of the Grange? My answer would be on many levels, opportunities for learning and growth, projects and contests, we all love the fellowship and food,,,but...mostly I would have to reflect on the unique people of the Grange. For instance, who could be more inspiring

to me than Sue Sulla, a dedicated doer who shares her talents and ideas with a smile...I just received a pack of recipes from Eileen Dougherty because I had admired her recipe at our summer picnic in Redding..examples would go on and on of generous spirits and hearts. We have just lost Arlene and Art Scanlon; what welcoming and helpful people they were when Geno and I were new to the Grange. To me, the

Grange is about giving and growth, thank you to all for your inspiration and encouragement offered!

Oct. 13: Columbus Day
Oct. 27: Halloween Party

This month we have a meeting before and after the State Session. That makes very busy. We will try not to let the State Session interfere with our meetings though.

Our first meeting will celebrate the holidays of October. The discovery of America, by Columbus, most importantly. In his century it was a wondrous event. Today we discover planets and star systems.

On the 27th, we start with our famous hobo stew supper at 6:30 PM. This is a favorite of many of

our visitors. If you decide to visit come hungry. Of course our program will deal with Halloween. We will be costumed and hope you will be also. There will be games and scary stories which means fun for all. Hope to see many of you that evening.

Bob and I hope to meet with many of you at the State Session.

Oct. 14: Columbus Day
Nov. 4: Neighbor’s Night, Veteran’s Day. Country Store

Please note that our November meeting will be a week earlier than usual. This is because of the timing of the National Grange Annual Convention.

It was just like “The

Good Old Days”: our annual picnic in August was held out of doors on the side lawn. It was a lovely evening, not a bug around and the perfect setting for that wonderful combination of good food and good friends. After dinner we held a short meeting, at which Clark Hanford was awarded his 50 year certificate. We also learned the good news that Ray Rumer from Redding Grange has become an affiliate member.

Here’s a little more housework to report: ceiling fans have been installed, as well as emergency lighting. And last but not least, that indispensable stairway to the balcony now sports a new coat of paint.

NOTE: Unless we have candidates, our October 6 meeting will be omitted so we may prepare for State Session.

Fall is falling and we enjoy this most colorful of seasons. New England attracts many tourists to enjoy the beauty all around.

The Big E ends the last of September while the late fairs of the season take us into October!

Now it's time to get back into the routine of activities. We ask our members to offer ideas and suggestions for the good of Pomona and look forward to putting them into play. Come to Pomona and help us to grow.

Oct. 24: Bloodmobile, S. Congregational Church, sponsored by Granby Grange

Oct. 25: Public Setback Card Party, 7:00 P.M.

Month of August Granby Grange exhibit at Center Library.

Bob and Fran Brockett and Lyall and Vivian

Shaw participated in the Northeast Lecturer's Conference in Maine. In our August program, Charlie and Karen had a skit "Four Worms." Joe told a skit about "Forrest Gump" and Virginia did a monologue "How to Bathe a Cat."

We drape the charter in loving memory of Golden Sheaf member Grace Ayer. She was ill and unable to attend the ceremony for her 70 year seal in June. Grace always made pies for our barbecue, and cookies for Bloodmobile.

CAWASA GRANGE #34

Corr: Maggie Schofield

Our September meeting was held at a later date- Sept. 18 at 1 P.M. on Lyn's front porch. Our October meeting is an open meeting with the Community Citizen Award and anniversary certificates. Now it's down to business. Grange business that is. See you next month!

Oct. 8: The New Year Ahead

Oct. 3, 10, 17, 31: Card Parties

At our last writing we were busy arranging the final details for our

Grange Fair and hoping for a successful event. Our hopes were realized and we thank everyone who took part in any way.

Evelyn Reuter displayed many of her beautiful quilts. They are outstanding!

Jane Wendell arranged examples of her prize-winning entries from the various fairs over the years and received many compliments to her crochet work.

Ted Sarnecki (who signs all of his marvelous woodcarvings "Grandpa S.") had a great display of his work.

The Sarnecki granddaughter and daughter-in-law conducted games and did face painting for the kids. Their grandson, Corey, and his friend Brandon, who play for our Christmas program, brought their instruments and were very popular wandering musicians.

Arrangements put up by each of the seven farms in our area were outstanding.

Our bake sale with Wanda Kansas in charge **SOLD OUT!**

Good friends from Cawasa, Lin and Maggie manned the snack bar. We always enjoy having them around.

Following all this excitement, we hope our October meeting will be a quiet one!

WEST SUFFIELD GRANGE #199

Sept. 9: School Days

In August, Bob Sheldon prepared an Agricultural Program for us! What a wonderful program and everyone enjoyed it. we had a chance to see an Almanac from 1850 with illustrations, Will Rogers sayings, and a DVD called "Working the Land- the Story of Connecticut Agriculture." It showed us about agriculture from Colonial times to the present time. Well done, Bob! You always do a wonderful program.

We have had two members ill- Earl Colson and Ernestine Colson. We hope they are improving, and will be back to good health soon.

CHERRY BROOK GRANGE #210

Corr: Muriel B. LeGeyt

Summer was different than usual weather-wise. We did have a meeting with 8 present. (Some people held two offices). Our Agricultural Fair

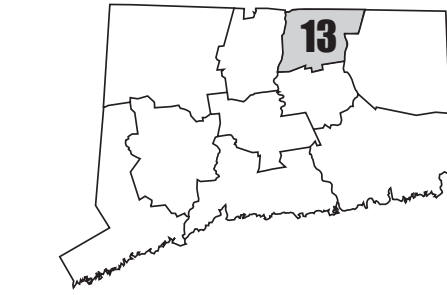

was held on September 13. No turkey supper this year. We are hoping for a good response with entries. Some younger children will be entering the baking contests.

Any Grange holding degree work before National, we could have

at least one, maybe two candidates. Please call Cora Mutch or myself. Cora: 693-0015 or Muriel: 693-8887.

Our Charter will be draped again at our September meeting in loving memory of Mary Zematis.

Oct. 9: Enfield Grange, The Frost is on the Pumpkin

The Agriculture Contest will be held at the meeting, so be sure to bring a sample of your "ag" items for judging. Our main program will be on frost and pumpkins. Sounds interesting.

Tolland will be in charge of gathering auction items for the monthly sale. This is one way Pomona is trying to raise funds to help support our many requests for donations and other miscellaneous items.

STAFFORD GRANGE #1

Oct. 21: Teacup Auction, 7 P.M., Hot Dogs & Rolls furnished by the Grange

Hard to believe but summer is officially over and hopefully we will enjoy our usually beautiful Autumn. Our scrapbook entries have been returned; Maude Emhoff won third prize. With our unusual influx of new members it enabled us to qualify for Honor Grange. It will be interesting to get a report from our new Master, Mark Glazier; as this will have been his first experience at State Grange. We note that many people have been availing themselves of farmer's market purchases; sounds like a good idea if mother nature doesn't flub us up with too much rain; but looking at the weather nationally we have nothing to complain about. Happy Halloween!

VERNON GRANGE #52

Corr: Nancy Strong

Oct. 3: As the Parade Passes By

Vernon Grange is gearing up for the Vernon Bicentennial Parade that will be on Sunday, Oct. 5th. We have reserved a 1931 antique pick-up for the occasion. We will spend our meeting getting it ready. Gordon Gibson will ride in the pick-up, driven by Richard Steele. Look for pictures in the November Granger.

Oct. 11: Old Pots and Pans, Ref. Edith and Norma

Nov. 8: turkey in the Straw, Potluck Lunch, 12 Noon

Our August Olympics were great fun, proving that none of us were too old for gymnastics or foot racing. The program thismonth will be on your old pots and pans, so bring one in and tell as story about it. What was it used for, how long have you had it? What makes it special? Don't forget to bring the items that you are responsible for to put in the grocery bag for Covenant to Care, as these will be brought to State Session this month. Visitors are always welcome and our door is always open, so come say hello.

THEREFORE BE IT RESOLVED that each State Grange be assessed fifty (50) cents per member per year to be paid to the National Grange, including Golden Sheaf members who are exempt from paying dues, to defray the cost to the State Granges of hosting the annual sessions of the National Grange, and
BE IT FURTHER RESOLVED that each State Grange shall have the authority to raise their assessment in any manner they choose, and
BE IT FURTHER RESOLVED that the proceeds of such assessment be made available to the host Region each year to reimburse its reasonable actual expenses for hosting the National Grange, and
BE IT FINALLY RESOLVED that if any funds from such assessment remain after all host region expenses of each annual session of the National Grange are paid, the remaining funds shall be placed in a dedicated account for use in reimbursing the host Regions in future years.

WHEREAS the elected members of the Executive Committee frequently discharge their duties on an “as needed” basis in units of an hour or less, and

WHEREAS the Connecticut State Grange recognizes each Subordinate Grange as an “Honor Grange” who

earns 4,000 points or more, and
WHEREAS the Subordinate Grange earning the highest number of points will be known as “Grange of the Year,” and
WHEREAS it seems rather unfair that the hard working, under 50 membership Granges, have to compete against the hard working 51 & over membership Granges for the “Grange of the Year” award, and
WHEREAS the over 51 & the under 50 Grange membership categories worked very well for the Community Service Project this past year.

THEREFORE BE IT RESOLVED that each Grange be asked to make sure they have provided the State Grange office their hall/meeting place street number and name so this complete information can be listed in the State Grange Directory as well as listed on the State Grange website, and

9. RE: FARMER’S MARKET LISTINGS

BE IT FURTHER RESOLVED that the State Grange Agriculture/Conservation Committee follow through with this resolution when passed.

10. RE: GRANGE OF THE YEAR AWARD
WHEREAS the Grange of the Year Award is given by the State Grange to the Subordinate Grange earning the highest number of points on the Honor Grange Award report, and
WHEREAS to reach this goal requires a tremendous amount of planning, executing, cooperating, and dedication, and
WHEREAS those Granges not quite attaining the most points and have worked hard deserve some recognition for their hard work.
THEREFORE BE IT RESOLVED that beginning this year, the Connecticut State Grange make awards to the top three Community Granges with award money to amount to \$50.00, \$40.00, and \$30.00.

11. RE: CAMPAIGN FUNDS

WHEREAS some of these funds could be put to better use, rather than derogatory ads.
THEREFORE BE IT RESOLVED that a tax of twenty-five percent be levied on all funds raised, and that the tax be used for healthcare, and

12. RE: MANAGEMENT OF STATE GRANGE ACCOUNTS
WHEREAS the Connecticut State Grange has numerous trust funds and accounts that need oversight and good management, and
WHEREAS the volatile atmosphere in the stock market requires someone to review the investments daily, and
WHEREAS no one presently has the time, knowledge and expertise to oversee these accounts in

a just and timely manner.
THEREFORE BE IT RESOLVED that the Board of Directors of the Connecticut State Grange investigate the possibility of hiring an accounting firm to manage all the accounts of the State Grange, including checking, to furnish the required reports as requested by the Board of Directors and to recommend changes in the investments, as well as managing the day to day financial matters of the Connecticut State Grange, and
BE IT FURTHER RESOLVED that the Board of Directors of the Connecticut State Grange enter into an agreement with said accounting firm if they deem it necessary.

13. RE: THE U.S. CADET NURSE EQUITY ACT OF 2007
WHEREAS in 1943, as a solution to a critical shortage of nurses in the military and in essential civilian hospitals, Congress passed “The Bolton Act” which established the U.S. Cadet Nurse Corps (USCNC) to be administered by the U.S. Public Health Service, and
WHEREAS while the graduate nurses and doctors joined the services and went off to war, the Cadets staffed Federal, military and civilian hospitals, Indian reservations, public health and rural health services all over the nation, and
WHEREAS the Cadets joined a uniformed service, in time of war, under the comman of the Surgeon General of the United States and were issued uniforms and insignias and an I.D. card with a serial number, and

THEREFORE BE IT RESOLVED that the nurses of the USCNC deserve to be recognized for their contribution to our nation during WWII, and for the decades that followed, and
BE IT FURTHER RESOLVED that the Connecticut State Grange supports the passage of HR BILL 3423: The U.S. Cadet Nurse Equity Act of 2007, and
BE IT FINALLY RESOLVED that this resolution be forwarded to the next session of the National Grange together with a recommendation for favorable action thereon.

14. RE: UPDATE LOCAL GRANGE ACCOUNTING METHODS
WHEREAS the National Master at the 2007 State Grange session indicated that many Grange accounting methods are what present day accountants call “Green Sheet” methods, and
WHEREAS the lists of income and expenses and use of Orders on the Treasurer and Treasurer’s Receipts are green sheet methods used by many local Granges today, and
WHEREAS a computer listing of Grange transactions, both income and expenses, with Executive Committee Report categories can quickly be sorted and summed by a computer to yield the body of the Executive Committee Report, and
WHEREAS many accounting programs have been developed for small personal computers.
THEREFORE BE IT RESOLVED that the Connecticut State Grange form a committee to study the present accounting methods for small organizations and recommend possible modern methods, and
BE IT FURTHER RESOLVED that these recommendations include necessary training for any different Grange accounting procedures considered for members who wish to reduce the work of the Green Sheet methods by using the computer oriented approaches.

15. RE: SELLING GRANGE HALLS
WHEREAS there are Granges where the membership has declined to the point that the members find the maintenance of a Grange Hall causes a large burden on the small numbers of members participating, and
WHEREAS this condition causes present Granges to consider selling the Grange Hall at the present low market value of real estate, and
WHEREAS a large portion of the sale value goes in the State Grange for safe keeping as a result of National Grange regulations.
THEREFORE BE IT RESOLVED that the State Grange set up a completely separate Connecticut Grange Historical and Educational Corporation which can directly take over the Grange Halls and make them available for educational activities and historical museums related to Grange History ad the arts of agriculture and the home.

Oct. 13: Business Meeting (Master)
Oct. 27: “BOO” It’s Halloween Time (Overseer)

Well summer is coming to a close. Leaves are falling, the nights are getting a little cooler and the street lights come on earlier. It is a sure sign when it is only 6:30 and the street lights are on, however, one of my favorite holidays is approaching... HALLOWEEN. It is fun to see all the kids come out in their costumes. Will it be Harry Potter this year or some beast from a dark lagoon? You will have to open up your doors to find out.

On October 27th, Southington Grange is having a Boo Bash. Why not come and tell us your scariest ghost story or let us know how you went trick or treating. I am sure that everyone has a story to tell about the fun they had on Halloween Night. Costumes are optional.

We will also hold a meeting on October 13th which will only be a business meeting. If you would like to come for an evening out, please do not hesitate to come, however, it is only a business meeting in which our Master has refreshments that night, so it might be quite interesting!!

As always, our doors are open for anyone and everyone who would like to join us for a meeting. Remember we meet on the 2nd and 4th Mondays at 7:30 p.m. at the Southington Grange Hall located at the corners of Summit and Knowles Street in the Plantsville section of Southington.

Nov. 6: What do we know about 1600 Penn. Ave.
Dec. 4: “Twas the Night Before...”

Please note that Westfield #50 has voted to meet only on the first Thursday of each month, with the third Thursday used only if the earlier date was canceled. Please call Mildred or Phyllis if there are any questions regarding the meeting.

The “Show and Tell” program was a grand success with a variety of items on display by members. We learned about items from Australia, two collections of dolls, teaspoons, paper weights, magnets and fair prizes, special photos of celebrities, fine knitted items made by a member and several large framed color photos by another member. Our special guest was James Lamoureux, Deputy of Central Pomona, who showed his collection of baseball memorabilia.

We will do this type of program again. Please note: our October program will definitely be appropriate for “Halloween” but no funny costumes, no broom riding witches, ghosts??? Just come and see.

For the Nov. 6 program... you would be surprised at what has happened in the White House.

We learned sadly that our faithful Sister, Marcella (Mickie) Vecchitto, passed on to the Grange above on Tuesday, August 19th.

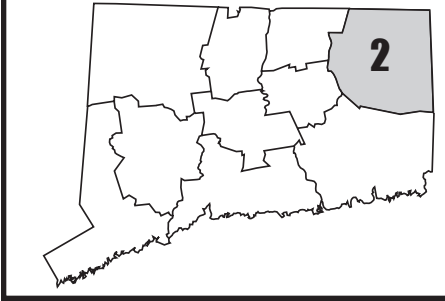

Mickie suffered a stroke several weeks ago and had been in a nursing home since then.

She was active in Westfield Grange for many years as a Past Master, Treasurer and Granger correspondent.

Nov. 2: “Community Citizen/Awards” 1pm
Nov. 3: “The Roaring 20’s!”
Dec. 1: “Those Fabulous 50’s!”

As you can tell by the program titles, we are reliving significant years in this special year to our Grange. On Dec. 14th, we will be 120 years in existence and we are very proud of that achievement. Because of prior experiences with scheduling winter events of special meaning, we learned that Ekonk Hill is more conducive to “safe season” plans, thus, we will hold off on our 120th anniversary extravaganza until April 5th ~ so on April 5th we are planning a very special event to make our milestone. (On a personal note, though,

our daughter, Rebecca, was born on April 5th, 1973 and we had a blizzard that day~just no telling on Ekonk what the good Lord will serve up weather wise!)

We are busy finalizing plans for hosting National delegates at our hall in November... we call it “fall cleaning”. Our President, Jody Cameron, is extremely busy in his capacity as National Grange Convention Coordinator and several of our members are either on the committee or volunteers....we will be as busy as a one armed paper hanger until November 16th...then catch our breath and prepare for our 7th annual Holiday Bazaar and 39th annual Turkey Supper November 22nd!

If you would enjoy a Haunted Trail Hayride and Halloween party fun following, be at our hall at 6:30pm Oct. 24th~no telling what creepy goings on we’ll have in store!

I hope everyone will attend State Session

I want to start this column with a sincere THANK YOU to everyone who helped in any way with Lecturers Conference – this includes those who sent ideas, loaned me props, transported items for me and to all who donated to my gift. To the 28 Connecticut Grangers who traveled between 300 and 400 miles each way, thank you for attending and thank you for being a part of our Connecticut program. The Color Orange isn’t the easiest topic to work with, but you did us proud. Thank you again.

Next year, our conference will be a lot closer – in Rhode Island. The exact location hasn’t been chosen yet but most likely it will

actually be in Rhode Island and not at Nichols College. I will let everyone know the details as soon as I get them. The State Lecturers will be meeting again at Leaders Conference. The Theme next year will be “Let’s Celebrate” and Connecticut will be celebrating Halloween. It’s not too early to start looking for costumes, skits and other ideas. The sooner I know what I have to work with, the sooner I can try and write a program. I know I can count on all of you.

I hope everyone will be attending State Session later this month. Thursday night we will be honoring our Lecturers.

See you on the hill!

Rain, rain rain. The gardens are producing well. Fruit is in and farmer’s markets are well stocked. Fairs will be coming soon and should have plenty of vegetables and fruit on display and flowers, too. Ted Magao brought in a lot of tabs and cans. CWA Lois Brandt brought in notepaper for the Big E and Joan Perry will take them up to West Springfield. Plans are being made for dictionaries for the third graders at the Pomfret Community School. Also a Bluegrass show is coming soon. No date yet. A bake and tag sale will be held on Saturday, October 4 from 8 to 12 at the Grange Hall.

Renovations at the Hall are still in the planning stages. The National Grange will meet in Connecticut in November.

Installation of officers will be Sept. 24 and Putnam and Senexet Granges will be installed with us at the same time. Letter will be coming to members on the increase of dues. Enjoy the fairs. Schools opening soon so beware of children.

Your Lecturer can make or break your Grange. Let’s show them how much we appreciate them. In addition to the awards we will be presenting some of the numbers from Lecturers Conference. I wish we could present the whole program, but there just isn’t enough time.

Now that better (cooler) weather has arrived why not plan on getting out at least once a week to some Grange activity. Visit a struggling Grange. You will not only help them fill the chairs, but you can make some lasting friendships. Grangers are the best. Get out and meet them.

See you around the State.

Well, summer has come to and end and now fall is calling. There are many activities this fall for all the Granges. With state session and national session waiting in the wings, time is going to fly by. This is the time to meet new Grangers and welcome them to our state.
Summer was a weather potporri. If you wanted hot and humid, it was there. There sure was plenty of rain in the mix too. Our crazy New England weather had our farmers, at times, scratching their heads. What is good for one crop, does not help another.
National session will be here quickly. As in most things in life, volunteers make good things happen. If you haven’t taken the seventh degree, now is the opportune time.
Wishing everyone a Happy Thanksgiving. Can’t you taste the turkey, mashed potatoes and, of course, the pumpkin pie!

Five CA Grange families lose homes

by Beth McFarland
Re-printed from the California Grange News

On June 13, her worst fears came true. Deborah Robinson pulled into her driveway to find nothing left of her home but black and smoldering sections of the frame. A junkyard of charred furniture and personal belongings were piled and scattered over what used to be her front yard. A simple note left behind by firefighters provided a glimpse of their valiant but failed efforts: “Sorry, we weren’t able to save your home.”
Deborah couldn’t go inside. Water from the firefighter’s hoses was a foot deep and still “bubbling hot.” Bewildered, she called her Mom. “It’s gone,” she cried. “And then I said a grateful prayer, that my daughter and I weren’t inside when the fire came,” confessed Deborah. “When I left for work that morning, I didn’t know... there was no coming home.”
Firefighters were only able to save daughter Ayla’s bicycle.
Only a week later, eight miles south, a lightening strike, started the Concow Fire. In the middle of the night on July 8, firefighter Laurel Paulson Pierce found herself on a water tender battling the blaze. Laurel is a member of nearby Yankee Hill Grange. “The flames got so high and the fire was so intense that we had to escape by backing the truck down the road.”
Laurel thought her own home across the canyon was safe. But at 2:30 A.M., the sirens and loud speakers told her differently. Reluctantly, she told the crew, “I’ve got to go save a few things.”
As she arrived at her home, the loud speakers announced, “You’ve got 15 minutes to evac or else.” She was able to remove a few precious items but could not find her two kittens, named Lucinda and, ironically, Cinder.
“As I was leaving, I saw and felt a huge glowing ball of red flame, 200 feet in length bearing down on me. There was fire on both sides of the road. I managed to get out and drove a few miles to a vantage point where I could see large plumes of smoke rising up. I recognized it was my house,” lamented Laurel.
Her two cats are still missing and presumed lost to the fire. Thirteen people have lost their lives to California fires this summer. Eleven of them were firefighters.
Deborah Robinson and her fourteen year old daughter Ayla are members of De Sabla Grange in Magnolia, a small foothill

town outside of Paradise, California. Along with Laurel Paulson Pierce, Mike Ashlick, Ralph Clark, and Tony Salzarulo from Yankee Hill, just north of Oroville, altogether five Grange families have lost their homes to fires this summer that we know of, thus far. Also from Yankee Hill, Grange member Vincent Hutton lost outbuildings.

“The Yankee Hill Grange came through for us, opening their doors wide open and welcoming us.”

The unforgiving Humboldt Fire that took the Robinson’s home ravaged 23,500 acres, burned down or damaged 100 homes, and caused an estimated 34 million dollars of property damage. The estimated cost of fighting the blaze stands at \$11.5 million. Cal Fire investigators have determined the Humboldt Fire was started by arson and are offering a \$10,000 reward for information leading to the arrest and conviction of the person or persons responsible.
Valiant efforts from Granges and communities across the state have been launched to provide assistance to these Grange families. Benefit dinners at Yankee Hill and Thermalito Granges have raised a reported \$6,500.
On July 26, the Yankee Hill Grange held a tri-tip dinner to benefit the victims of the fire. The turn out was outstanding with 225 people attending. The line was out the door and wrapped around the parking lot. Food and door prizes were donated from the community. The outpouring of local support raised a reported \$4,000.
Yankee Hill Grange member Nancy Alvarez said “During the fire people were coming out of the woodwork and just handing us hundred dollar bills. Altogether we raised about \$5,000 this way, even from people who had lost their homes.”
Not to be outdone, on August 2, the Thermalito Grange followed with a fundraiser dinner of its own and collected a reported \$2,500.
Early on, Karen Heckman, Master of the DeSabla Grange sent out an alarm that Grangers were in need. Karen has been helping the Robinsons, opening a bank account for contributions and provided aid in finding shelter, food and clothing. More than a thousand dollars has been contributed by Grangers for the Robinson family, so far.

In the case of both the Robinsons and Laurel Paulson Parker, insurance coverage will not rebuild their homes. Never-the-less, they do plan to rebuild on their properties.
Through the smoke and flames, Grnages became beacons of safety and comfort, opening their doors to the community and emergency services.
Forten days, firefighters battling the Concow blaze and fire victims were served meals at the Yankee Hill Grange, thanks to the efforts of Bob and Nancy Alvarez, Jack Hoenig and others.
The Yankee Hill Grange was also used as a command center by the County Sheriff’s Department. As a result, eight new members from the community joined the Yankee Hill Grange. “If this is what it means to be a Grange member, count me in,” said one new applicant.
One day after eating breakfast provided by the Yankee Hill Grange, the firefighters tried to hand Nancy & Bob a collection can with \$97 in it. The Alvarez’s refused to take it.
Firefighter Scott McClean stationed at the Chico Fairgrounds during the Concow fires remarked, “The folks at the Yankee Hill Grange have been great. We had men and women on the fire line day and night, sometimes 24 hour shifts, with nothing but hand tools to work with. It was logistically difficult. The Yankee Hill Grange came through for us, opening their doors wide open and welcoming us.”
Ed Grubb of Ono Grange in Igo housed evacuated animals and vehicles on his property. The USDA Natural Resources Conservation Service used the Ono Grange hall for a recovery meeting. The community is truly pulling together.
Meeting at the Orangevale and Rio Linda Granges, a group of eight community and Pomona Granges have joined to form G.R.E.A.T.- Grange Relief Emergency Assistance Action Team, with plans to sponsor fundraisers and develop an emergency preparedness program for all Grange members.
Droughts and dry conditions will almost bring more fires. The fires that claimed the homes of five Grange families are tragedies that cannot be forgotten. Nor can the courageous and self-less efforts of our Granges and communities that have come together to help our fellow brothers and sisters in this time of need.

Chaplain's Message

Amy Whitcomb
State Chaplain
chaplain@ctstategrange.org

As we approach the Autumn season we bid goodbye to the summer and welcome in the crisp days of fall. Let's explore optimism as the foundation of life. Optimism is the creation's natural disposition, the very spirit of Advent. "God saw everything that he had made, and indeed, it was very good." (Gen: 1:31).

So optimism is not just one choice among many but a necessary attitude of a creation bent on fulfilling its destiny. It is not a momentary inspiration, it is the heart of genesis, the way of Life. It is what brings new life out of its nests and burrows to greet a new world. It is also what flowers the desert after a rain. It moves the heart of anyone who loves something. With the young, it challenges danger. With the elderly, it peers expectantly into the heart of eternity. With true optimism you are into life for the long haul.

This does not mean that we go through life never questioning anything, and never doubting a course of action. Optimism is not agreement about everything. But in its depth, optimism reaches through specific plans, goals, events, and happenings to the positive thread running through all life. Where there is an impasse, it rejoices in a yet unseen solution. If there is failure, it is more interested in what the failure teaches about success than who's at fault. Optimism wades through human conditions, fears and unhappiness and finds underneath that spring of Being, the presence in us that nourishes all.

October brings us State Session and I look forward to seeing all of you there. Stop by and say Hi.

Youth Dept. Notes

Donald Lanoue
Youth Director
youth@ctstategrange.org

Hi everyone hope that all is going well with your plans for attending the State Session. I am in the process of getting supplies ready for the hospitality room and at this time would like to thank all that have offered to bring an item to the room. As the start of a new Grange year is upon us let's look forward to what you, the youth would like to do this year. I have had some suggestions and am looking for more. I am willing to listen to plans that anyone is willing to share.

Looking forward to the National Session I have finished all of my large plans and am looking forward to a smooth running session that I hope we will all enjoy. All are invited to come and see what National has to offer. Come and see what the youth are learning at their workshops or sign up for their tour and make a new friend. As mentioned before the theme for the costume party is the 1960's so come in costume and dance the night away.

Well, I can't believe that summer is over and fall is here. Either it goes too slow or there is

never enough time to do everything that you want to get accomplished. I hope that everyone is working on the contests for State Session. Don't forget the posters to welcome National Grange in November. This contest is open to all who are interested. Age doesn't matter. You could be just a Junior at heart.

At State Session, we will be having a snack

table to raise funds for the Helmet Project. Also we will be having our raffle. All donations will be very welcome. Donations to the Helmet Project should be sent directly to the State Secretary. Hope to see you all at State Session. Remember that the heart of each day is a promise. The gift of each day is... YOU!!!
